

Carmen
M I L A N O

Carmen Milano represents the revolution of the feminine style, redefining the concepts of femininity through a fashion that loves to mix elegance and versatility.

Since 1970, Carmen Milano interprets the latest trends, that thanks to fabrics, tailored cuts and refined colors represent the heart of true Made in Italy.

In line with the philosophy of the brand, the Carmen Milano collections wear a charismatic and contemporary woman, creating glamorous looks, which focus on enveloping dresses, coats with clean and elegant style, fine knitwear and modern suits.

A style made of balance and details, where simple is synonymous with sobriety; Carmen Milano offers every season a fashion with flowing and delicate shapes that match the needs and demands of today's women, which combine quality and tradition in an iconic and timeless product.
