

# Cool Kids Shoes

**Arslan Ayakkabı Tekstil Sanayi ve Ticaret Limited Şirketi** was founded in 2011 by an experienced team who worked in every stage of the industry. Cool is a registered trademark of **Arslan Ayakkabı Tekstil Sanayi ve Ticaret Limited Şirketi**.

Our company, which has been marketing hundreds of thousands of children's shoes at home and abroad, considering quality, trust and customer satisfaction from the day it was founded up to now, has become a well-known and reliable brand in the field by catching the points targeted by its founders.

The products are sold all over the country through direct wholesale customers all over Turkey. In addition to this, direct and therefore abroad products are exported.

While 50% of our production is made to our country's corporate and wholesaler shoe companies, our 50% production is also offered to dealers networks in Turkey with Cool brand. Constantly renewing itself, following the developments in the field, catching the contemporary line with an understanding of production and to protect the reliability of the brand, our products, health, robustness, usability and reasonable prices are based on. The product range is constantly being developed in line with the latest trends in the world and customer wishes.

We are interested in collaboration with your Company

**The development of a branded retail network is very important for our image.**

All products do not contain any carcinogenic substances.

During production no material has been used to damage your child's health.
